

International conference “Aerosol and Atmospheric Optics”

First announcement

A.M. Obukhov Institute of Atmospheric Physics Russian Academy of Sciences in collaboration with V.E. Zuev Institute of Atmospheric Optics SB RAS, Saint-Petersburg State University and L.Ya. Karpov Institute of Physical Chemistry organize **21-24 October, 2014** in Moscow International Conference “Aerosol and Atmospheric Optics” dedicated to the 100-anniversary of Prof. G.V. Rosenberg (1914-1982).

Co-chairs of Program Committee: Academician G.S. Golitsyn and Corresponding Member of RAS I.I. Mokhov

Program of Conference will include invited talks (25 min), oral presentations and posters.

Languages of Conference – Russian, English.

The following sections are planned:

- 1. Aerosol optical and microphysical properties.*
- 2. Aerosol transformation.*
- 3. Radiative transfer in the Earth Atmosphere and aerosol and cloud climatic effects.*
- 4. Inverse problems in aerosol and cloud study.*
- 5. Aerosol and environment. Extreme aerosol events.*
- 6. Satellite remote sensing.*
- 7. Instruments and methods in aerosol optical research.*

Registration and abstract submission will be open **from January, 1, 2014 till May, 1, 2014**.

Abstracts and registration forms should be sent to Rosenberg_2014@ifaran.ru. Registration form and abstract preparing rules will be able at the conference page: <http://ifaran.ru/science/conferences/Rosenberg2014.html>

Looking forward to seeing you among the participants of the Conference.

Chair of the Organizing Committee

Prof. A.S. Ginzburg
